Animal Medical Center is seeking passionate and hard working leaders to join our mission of providing exceptional care in a thriving, mixed animal practice located in Great Bend, Kansas. Not only do our team members enjoy utilizing the latest equipment and working in a beautiful, state-of-the-art facility, but they also get opportunities to grow as a professional and as a person.

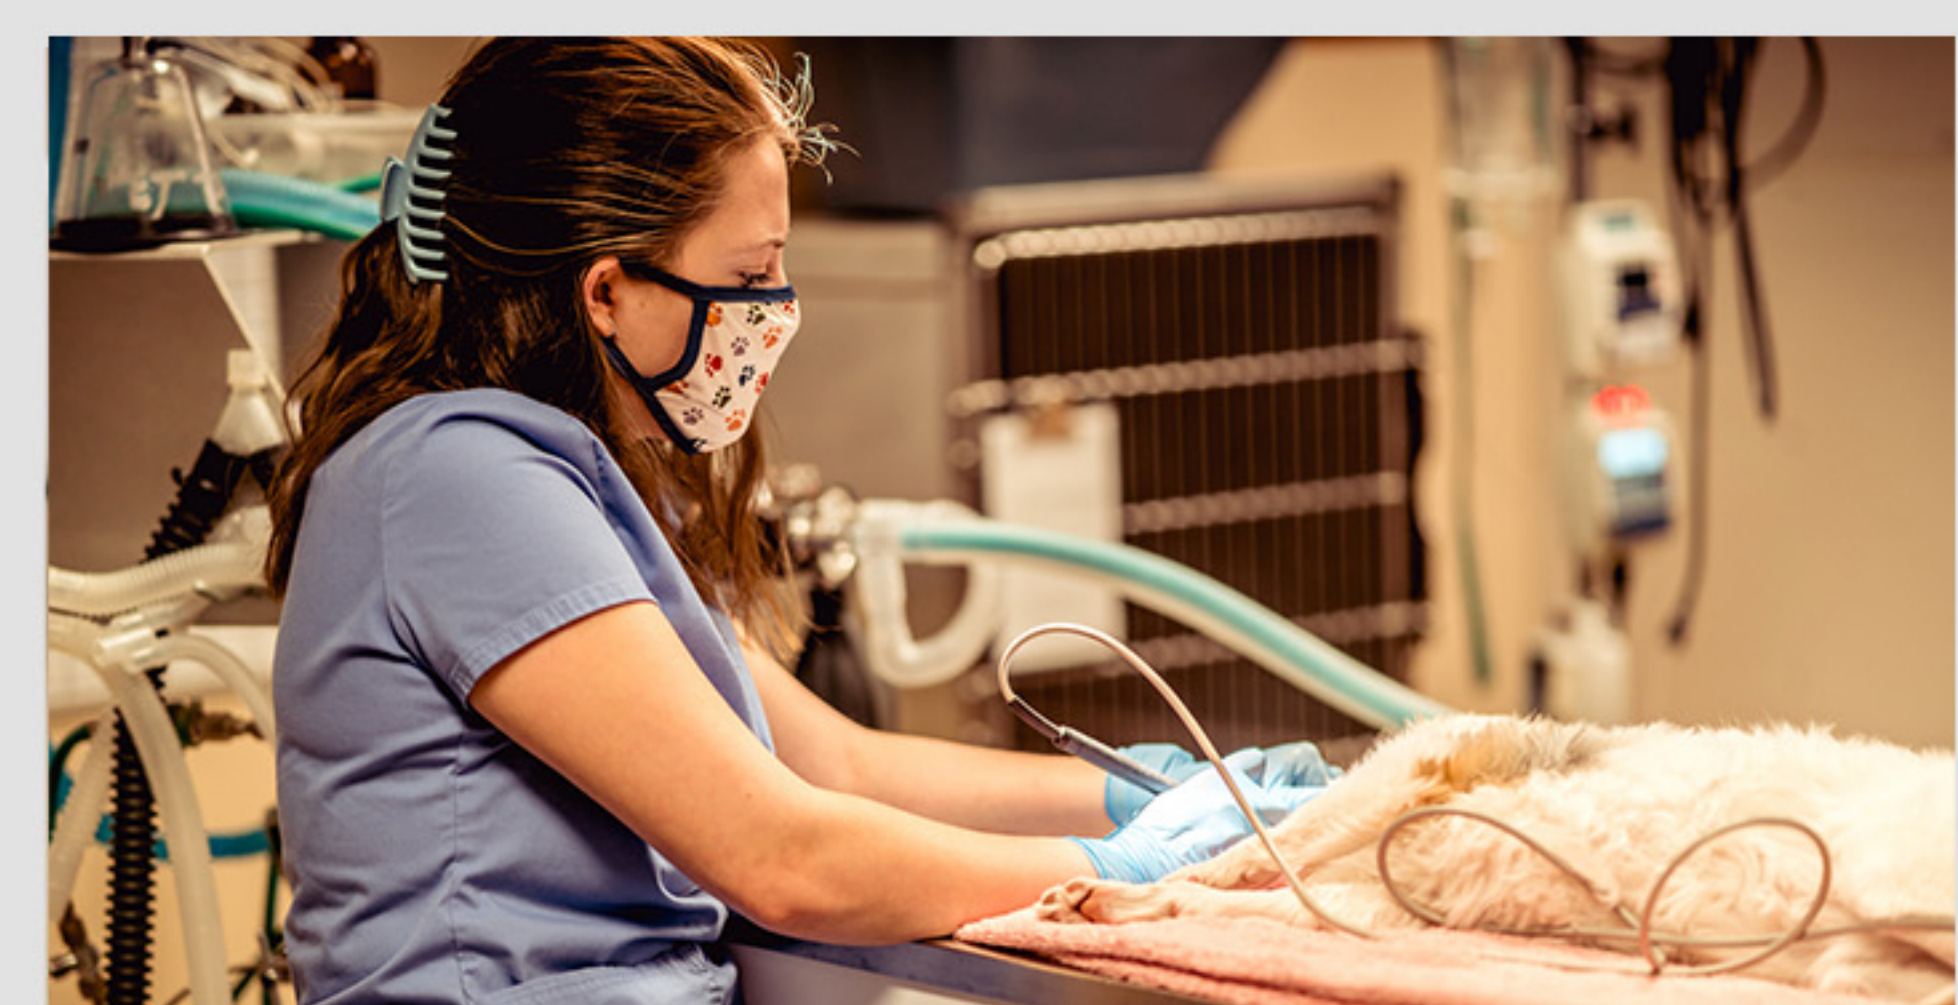

With five veterinarians in our practice, this person will be stepping into a busy practice with a lot of exposure to continued education, on-the-job training, and personal leadership development. AMC provides progressive small and large animal care to a community of approximately 15,000 people seated in a county of approximately 35,000 people. Short-term housing can be arranged.
